

Payment Consultant

Accenture, recognized as a Great Place To Work®, is a leading global professional services company that helps major businesses, public administrations, and other organizations around the world develop their digital core, optimize their operations, accelerate revenue growth, and improve services for citizens, creating tangible value at speed and scale.

If you are ready to lead the total reinvention of the company through technology and data, you have an opportunity to join the Accenture team and change the future of our clients and society.

We are looking for passionate, curious and driven team players who are ready to ignite ideas, push boundaries and drive innovation. At Accenture you'll work on innovative projects and develop your career, collaborating with the best teams in the world. You'll learn, grow and advance in an innovative culture that thrives on shared success, diverse ways of thinking and enables boundaryless opportunities that can drive your career in new and exciting ways.

About the role:

Strategy & Consulting professionals help transform the world's leading organizations, working across the C-suite to capitalize on disruption, enable competitiveness, and drive growth and profitability via continuous innovation.

We are currently looking for Payment Consultant in Barcelona or Madrid:

Job description

- 3+ Years experience in transactional payments processes within Spanish banking market. Experience working with national and European payment networks as well as cross-border payments. Experience with various payment systems and subsystems. General knowledge of transactional Payments value chain:
- Payments initiation from bank channels (including simulation).
- Bulk Payments for enterprise clients.
- Payments Incident management.
- Value Added Services associated with Payments (exchange insurance, financing, etc...).
- Liquidity management and reconciliation.

- Payments R-transactions processes (Return, Refusals, Rejections, Returns, Reversals, Requests for cancellations and Revocations).
- Alerts and notifications.
- Routings and cut-off functions. Experience on Payments management lifecycle for payments controls, traceability, and monitoring across all value chain. Experience on management payments from a user interface perspective:
- Instructions, Interchange, and transactions details.
- Operational Dashboards.

Qualifications:

- +3 years of experience in a similar role.
- University degree in Engineering or Business Administration.
- High level of English.

All of our consulting professionals receive comprehensive training covering business acumen, technical and professional skills development. You'll also have opportunities to hone your functional skills and expertise in an area of specialization. We offer a variety of formal and informal training programs at every level to help you acquire and build specialized skills faster. Learning takes place both on the job and through formal training conducted online, in the classroom, or in collaboration with teammates. The sheer variety of work we do, and the experience it offers, provide an unbeatable platform from which to build a career.

At Accenture, a company recognized as a Great Place To Work®, we are committed to a hybrid work model that, thanks to technology and our facilities, allows us to maintain the essential human connection needed to work with our teams and clients. This connection enables us to uphold our culture of inclusion and diversity and to be, according to Refinitiv, the most diverse company in the world.

Additionally, we offer you other benefits such as:

- Medical Life, and Accident Insurance
- Medical services and wellness programs
- Flexible compensation program and stock purchase plan
- Flexibility programs (schedules, days off, vacations...)

- Individualized training itinerary
- Sustainability programs and Accenture Foundation
- Employee network for diversity
- Other benefits: Bankinter office with special conditions and profit sharing

Please also note that Accenture is an equal opportunities employer and welcomes applications from all sections of society and does not discriminate on grounds of race, religion or belief, ethnic or national origin, disability, age, citizenship, marital, domestic or civil partnership status, sexual orientation, or gender identity.

About Accenture

We work with one shared purpose: to deliver on the promise of technology and human ingenuity. Every day, more than 775,000 of us help our stakeholders continuously reinvent. Together, we drive positive change and deliver value to our clients, partners, shareholders, communities, and each other. We believe that delivering value requires innovation, and innovation thrives in an inclusive and diverse environment. We actively foster a workplace free from bias, where everyone feels a sense of belonging and is respected and empowered to do their best work. At Accenture, we see well-being holistically, supporting our people's physical, mental, and financial health. We also provide opportunities to keep skills relevant through certifications, learning, and diverse work experiences. We're proud to be consistently recognized as one of the World's Best Workplaces™. Join Accenture to work at the heart of change.
